## H. G. FARRELL'S CELEBRATED ARABIAN LINIMENT TRIUMPHANT OVER DISEASE.

WE DAILY HEAR of the most astonishing cures being offected by that great and popular medicine, the genuine H. G. FARRELL'S ARABIAN LINIMENT, and we can truly Bay, from our own knowledge, that no medicine ever discovered has performed the same wonderful cures that it has, bot' in man and beast, nd it is equally good for both, which makes it so truly valuable. It is, therefore, hailed by the suffering as the greatest blessing of the age, and no one would ever allow himself to be without this sovereign balm, who had once witnessed its magic power over disease, and its wonderful potency in relieving pain, however severe, in a few minutes' time. We earnestly desire you to call upon the agent, who will furnish you, free of charge, a small book containing, besides other valuable information, a large list of certificates from many of the most respectable persons, of cures effected by this celebrated medicine, which surely are enough to convince the most scepticle of its transcendent virtues. We notice several certificates of rheumatism cured after the patient had suffered everything but death for five to twenty years. Also cases of paralysis, or loss of the use of limbs, where the flesh had withered, leaving no hing appa ently but dried skin and bone, presenting so horrid a ectacle that their FRIENDS LOOKED UPON THEM AP PALLED, while physicians pronounced them BEYOND ANY HUMAN EFFORT to relieve. It is the most efficacious remedy known for burns, sprains, wounds, bruises, chilblains, neuralgia, tooth-ache, bites of insects and reptiles, sore throat, sore or weak eyes, tumors, sun pain, etc. etc.; and is used with unbounded success in most of the ail ments of borses and cattle, such as sweeny, farcy, sprains, bruises, wounds, stiff neck and joints, lameness, swellings, galls or chafes, sore eyes, partial blindness, etc. If used in the beginning of fistula, poll-evil ringbone and spavin, it will invariably stop their further progress. Every family should keep this valuable medicine on hand, ready for any

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell's Arabian Limitment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters H. Situated on the Nashville and Chattanooga Railroad, only seventy-one miles from Nashville, the great emporium of our State in a proximity to that important city of but three or four hours - inviting, by the pleasantness of its locality, in its mountain elevation, salubrity and delightful scenery, the residences during summer heats of its citizens-opening up opportunities to small manufacturers, of profitable employment and active business, at a cost so moderate as to be within the reach of ordinary diligence and almost nominal -presenting a fair field for commercial enterprise, having agreeable and most taverable sites for country residences and summer retreats, where the rich man can repose in his wealth and the poor man rest from his toil. Each can pos-sess this coveted enjoyment without drawing on pecuniary resources, that for any reason satisfactory to either, may be thought best left in the purse, thus obtaining a delightful

The property is bounded by the Allegheny River and Pennsylvania Canal, and consists of about five acres of ground, with the Cotton Factory buildings, machinery and twenty-five dwelling houses. I will dispose of it entire, or I will sell the machinery, and the ground and buildings

seperately. I am prepared to sell on the most faborable terms, requir ing but little cash, and giving very long time, and easy payments, on the balance. To persons who contemplate engaging in the Cotton business in the West or South, this offers an opportunity seldom to be met with. The same amount of machinery could not now be supplied by manufacturers in less than twelve months, whist thi could be removed and put into operation at once, with a reputation and line of custom already estab-

lished, worth thousands to a Cotton Mill, and which it takes I would subscibe a large amount of the purchase money as stock, in a Company that would conduct the business here without requiring my personal attention.

The property, from its convenience for procuring materials, is admirably situated for the manufacture of Machinery, Locomotive Engines, &c. To a Company formed for this purpose, I would give the most liberal terms, and if desired, would also subscribe a large amount as stock

It is an association formed by individuals, who unite gether, under a contract, to support each other's families in case of death. In order to accomplish this it becomes necessary to establish a fund, which is done by a yearly contribution, duly apportioned among them according to their expectations of life, and the amount to be received by the

family at each one's decease. Suppose a person at 25 years of age, whose premium on \$1,000 would be \$20 00 a year, should put this sum out at interest—at the end of one year, if he should decease, his family barely gets \$20 00 with interest added, making 21,20 only. Whereas, from a life policy they would get \$1,000 with his proportions of the accumulation.

FLORENCE, Ala., Dec. 19, 1849. Dear Sir:—I take the present opportunity of bearing testimony to the medical qualities of your Pulmonic Medicine. The Rev B B Barker had a cough for about the or four weeks. It not only was distressing to himself, but such was the severity of the paroxysms that all around sym-pathized with him. I advised him to try your Compound Syrup of Wild Cherry and Wood Naptha. He did so, and took one bottle, and it stopped the cough almost immedi-

ately, and has not since returned, nor has he had any symptoms of it since. I have used many cough medicines, and have tried and seen used, all the balsams and nostrums of the present day, and I verily believe that yours is superior to them all.
I remain yours, T J KILPATRICK, Principal of the Florence Male Academy.

DR. FRASK'S MAGNETIC OINTMENT. MR. WINTERS had lost nearly all of his hair and A had been bald for many years; by the use of three bottles of the Magnetic Cintment, had his hair entirely re-

could wish. His age is about 50 years. A son of Mr. Warren, of this town, 14 years of age, had been afflicted with the Asthma from his cradle. He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most aggravated cases I ever saw; he was emaciated almost to a skeleton. By the use of a few bottles of the Ointment he was thoroughty cured, and for seven months past has enjoyed robust health.

This was an extreme case of inflammation of the spleen,

of long standing; has a variety of treatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady (a Mrs. Dunham,) is still in good health, and able to attend to her usual household duties. I have treated two cases of Chronic Sore Eyes with the Ointment, both of the patients so nearly blind, as to need an attendant to lead them from place to place. One of them had been afflicted 18 years, the other about 9 years. They had tried the best physicians, in the State, without benefit; and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cincionati, for eighteen months, and had expended hundreds of dollars in vain efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it failed of giving immediate relief and generally a permanent cure. I have also used it beneficially in severe cases of Erysipelas. And last but not least, I have within the last year cured four cases of CANCER by the use of the Magnetic

From a thorough trial of the Ointment in nearly every disease for which it is recommended, I can confidently recommend it to be one of the most useful remedies ever offered to the public.

Respectfully Yours,
BURTON HUBBELL, M. D. Dated Jan 27, 1850, Amelia, Ohio. The character of this Ointment, as an efficient remedy, is
